There is a great deal of tinkerlng and proposed tinkering in the North just now with the South, and divers very charitable schemes proposed. They will do nothing but confuse, their little pecuniary assistance being soon lost or gobbled up before it reaches the South.

The military must be removed. This is essential; for freedom cannot exist in the midst of arms. Removing martial law, not by any vague declaration, but where the soldiers are there is martial law, not by any vague declaration, but by the irresistible power of the bayonet, that carries its own law with it. Wo have
